The mission of NAPM Central Michigan, Inc. is to serve the needs of its members and the profession by providing quality learning opportunities through educational forums, career broadening and mentoring experiences. Additionally, it is our mission to promote increased recognition of NAPM and the growth opportunities offered by the organization.

PRESIDENT'S UPDATE MAY 2010

May 18th will be the last PDM for the 2009 and 2010 season. We will be presenting the Angell Award to the individual who most supported the growth and improvement of NAPM-CM. I would hope that we have a good turn out to honor this individual. We will also be installing the Board members for the upcoming 2010 and 2011 season.

At this time I want to thank Judy Jacobs with Emergent BioSolutions and Pamela George with Michigan State University for encouraging their staff in supporting the activities of our affiliate. I also want to thank Dave Taylor for sharing his many years of experience with his monthly articles found in the TOOLBOX section of the web-site. Finally, my thanks to the Board for their continued support of this affiliate with the desire to grow its awareness and benefits to our members.

Looking forward to seeing you on May 18th.

As always you are invited to join us at the June 1st Board meeting.

FROM THE TOOLBOX MAY 2010

Members are encouraged to read pg 12, April 2010 Inside Supply Management issue, topic: Contract terminology and avoiding Subrogation Claims. To quote a key point in the article: "A company that contracts away its right to sue also contracts away its insurance company's right to sue." The May installment of The Toolbox is on the website. A little longer than usual, it covers SCM Information Resources-- companies, websites and toolbar accessories.
