

October

2010

The mission of NAPM Central Michigan, Inc. is to serve the needs of its members and the profession by providing quality learning opportunities through educational forums, career broadening and mentoring experiences. Additionally, it is our mission to promote increased recognition of NAPM and the growth opportunities offered by the organization.

PRESIDENT'S UPDATE OCTOBER 2010

We want to continue to recognize our members for achievements one obtains. We want to congratulate Andrew Brown, ADCO Products, and Thomas A. Falik, State of Michigan Treasury Dept, for obtaining their CPSM certification, CONGRATULATIONS.

The Board has approved for those members who have received the CPSM certification and met the qualification are entitled to receive a \$180.00 for their accomplishment. We are in the process of putting the qualifications on the web site and a form to complete and submit to the Board. Please visit www.msu.edu/user/napmcm for details.

I want to update you on the progress in scheduling a CPSM study program early 2011. We have seven individuals that are interested in the study program at this time. The costs for the program: Trainer \$1500.00 that is for the 3 sections and we are looking at Saturdays 9am to 4pm. 3 module study material \$300 members' \$375 non members An optional study guide \$87. Room cost to be determined. We are in hopes that the classes could be held at a business location of one of the participants.

So if seven is the final count the cost would be approximately \$515 for members and \$590 non-members. This does not include room charges and the optional \$87 study guide.

If there is any interest in participating contact a Board member so that we can keep everyone informed to the costs.

We are looking to participate in the LinkedIn social media to offer members another means of getting information. Not being a social media person I am told that it would require an individual/s to monitor the site to keep it current. We are looking for any volunteer that would be interested in putting this in motion. Again contact any Board member for details.

Finally our primary mission is education. We provide this to our members through PDM, satellite seminars, study courses and in the past the Higgins Lake Conference. We are looking into resurrecting a smaller version of the Higgins Lake Conference. We hope to have additional details next month. A few members will be meeting to discuss this possibility. We encourage your thoughts on this subject.

Tim
